

World Youth Day:

Where to from here?

A few short months ago we witnessed a faith phenomenon: thousands of young people gathering in Sydney for World Youth Day.

Now back at home, we ask the age-old question: “How do we do effective Youth Ministry in our parishes?”

On October-18, Paul Blom & Malcolm Hart from the Faith & Life, Youth & Children’s Ministry Team and the Brisbane NET Team will be on the Gold Coast to help us with those questions.

October-18 will be a series of workshops for people of all ages, who have a passion for Youth Ministry. The following topics will be addressed: Praying with young people; Youth Leadership, Establishing a Youth Ministry Team; Legal Requirements; Program Planning, Community Development and Working as a Deanery
